BAKER & HOSTETLER LLP

S

SINCE OPENING ITS DOORS IN 1997, THE Cincinnati office of the national law firm Baker & Hostetler has tripled its attorneys and earned the trust of many of the area's *FORTUNE* 500 companies and prominent businesses. Clients value the experience of Baker & Hostetler's lawyers and appreciate that their local attorneys belong to one of the largest firms in the country, with nearly 600 lawyers and 10 offices coast to coast.

PRACTICE AREAS Attorneys in the Cincinnati office practice in mergers and acquisitions, securities law, commercial and securities litigation, finance, real estate, labor and employment law, healthcare, and general corporate law. They have experience working in the fields of media, healthcare, banking, technology, and manufacturing and have represented clients in a diverse range of legal matters.

FULL LEGAL SERVICES "We are part of a national law firm, and we can call on the resources of the larger organization and provide a full complement of legal services," notes Bill Appleton, managing partner of the Cincinnati office and a Super Lawyer. "We cover the Tri-state region, central and northern Ohio, and have access to national and state-based experience. A total of 84 of our Ohio-based lawyers are Super Lawyers. We can handle any situation."

WE CREATE SUCCESSFUL, LONG-TERM RELATIONSHIPS WITH OUR CLIENTS.

ROOTED IN THE COMMUNITY It is a rich tradition at Baker & Hostetler for its attorneys to be involved in the community. They provide pro bono legal counsel and serve on the boards of numerous organizations, including Habitat for Humanity, the Cincinnati Opera, Hebrew Union College, United Way of Greater Cincinnati, and the Cincinnati Museum Center. This tradition is mirrored by another pillar at the firm:

a belief that its attorneys should come from a range of diverse backgrounds. Its local lawyers have served as leaders or supporters of the Black Lawyers Association of Cincinnati, the Cincinnati Center City Development Corporation (3CDC) Economic Inclusion Committee, and the Greater Cincinnati Minority Counsel Program.

TOP ATTORNEYS Baker & Hostetler would like to congratulate its Cincinnati Super Lawyers: Appleton, who practices in mergers and acquisitions and securities law; Marty Dunn, who practices in the areas of real estate and business law; Robin Harvey, a commercial and employment law litigator who is ranked as one of the top 50 Female Super Lawyers in Ohio; Dave Holcombe, who concentrates in labor and employment law; and Tom Kahle, a corporate attorney who practices healthcare law.
