## Information/Guidance

- Two breach notification forms: one for breaches only in Sweden and one for cross-border breaches relating to several Member States (both available in English)
- The breach notification forms will become an official document, and individuals can request access to the document. Depending on the outcome of the assessment, the entire form may have to be disclosed. Provide only necessary information and do not provide confidential information.
- An online portal is forthcoming. Until then, notification is submitted by registered mail to the following address:
- Datainspektionen
- Box 8114
- 104 20 Stockholm, Sweden
- Time for mailing will be taken into account in terms of timing for reporting
- Instructions about breach notification in English
