Please prepare a double-spaced personal statement that does not exceed 500 words. The statement should reflect your views of or experience with diversity. Be sure to include why you are interested in BakerHostetler and how you will be able to contribute to the inclusion and diversity objectives of our firm.

A few topics you can consider when writing your statement:

What does inclusion and diversity mean to you?

How has diversity (either your own diverse background or the environments you have found yourself in) aided your professional or personal growth and development?

In what ways has your own diverse background positively impacted the way you have approached situations or issues?

In what ways has diversity impacted your life OR how would you like to see your diverse background positively impact BakerHostetler and the greater community in which you practice?
